QUOTES ABOUT ARTWORK

“Elizabeth Chapman’s paintings are glorious studies in color, texture and form. Her embrace of raw materials, combined with the balance she strikes between gestural spontaneity and careful deliberation, is enormously appealing. They make me hear music.”

Michael Mills, *Broward-Palm Beach New Times*

“Elizabeth Chapman’s paintings are seductive, absolutely seductive.”

Eydi Lampasona, President, International Society of Experimental Artists

“Every painting is an adventure in the search for truth and beauty through the use of color, form and light. The tools of painting, design and technique can be formulated and they become our vocabulary of painting. It is not just what the eye sees, but what the soul senses that is important. First Place is awarded to Elizabeth Chapman.”

Gary Katz, Juror, *Images Art Exhibition*

“You overflow with talent! I am a very lucky “patron” and I am very, very pleased.”

Peter Baron, Collector, Lake Forest, IL

“The strongest work, First Place by Elizabeth Chapman, struck me with its successful integration of materials, concept, and execution. She is a serious art maker.”

Victoria Skinner, Juror, Boca Raton Museum of Art Artists’ Guild Juried Exhibition

“Your paintings are absorbing.”

Artis Hopewell, Collector, Miramar, FL

“Her mixed-media paintings grab the viewer’s attention with imagery that ebb and flow on the picture plane with soft lines and fluid movement.”

Joel Betancourt, *The Palm Beach Post*

“Elizabeth Chapman’s paintings are earthy yet ethereal. Her exhibition of works is rich, organic, innovative and intense.”

Alexia Davis, Broward-Palm Beach News
