Resume

"I create art that lifts and inspires people. Art that incorporates the history of a place with a new, fresh vision of the present and future. It's all about possibilities, pushing limits and removing fear. Art is an expression of the unseen, the new, the soul of a people, place or time." Thomas Keller

BODIES OF WORK

Who Do You Think I Am?, Charcoal and Pastel Paintings

A series of portraits depicting that the physical body is an illusion and within each of us is the fully awakened Christ Consciousness.

Sacred Faces, Pastel Paintings

A series of surreal portraits of mystical guides.

Abstract Angels, Wood Sculptures

Oak and Mahogany wood sculptures symbolizing abstract images of angels

Sacred Places, Pastel Paintings

Abstract landscapes of sacred places throughout Central and South America.

Color of Earth, Pastel Paintings

Abstracts using earth tones and muted colors.
